#### CONFIDENTIAL

January 23, 2015

Lynnette Kozer City of Granite City 2000 Edison PO Box 73 Granite City, IL 62040-0073

Dear Lynette:

These master terms and conditions will govern the services delivered to City of Granite City ("Client") by the Kroll group company (including its officers, employees and affiliates, "Kroll") set forth in the applicable statement of work ("SOW"). Client and Kroll (each a "Party") are referred to below as the "Parties", and these master terms and conditions, together with the applicable SOW, are referred to as the "Agreement".

#### 1. Kroll Services

Client has engaged Kroll to deliver certain services as set forth in a SOW (the "Assignment"). In the event Client requests Kroll to expand the scope of the Assignment or undertake other assignments ("Additional Assignments"), each such Additional Assignment will be set forth in a new SOW signed by both Parties that references these master terms and conditions and stipulates the fee for the Assignment. Unless otherwise agreed in the SOW, in the event Kroll is requested to (i) provide testimony, (ii) serve as a witness, (iii) update any report, deliverable or other information provided hereunder (the "Kroll Report(s)") for any events or circumstances occurring subsequent to the initial delivery date of the Kroll Report, or (iv) furnish additional services, such additional services will be agreed in an amended or separate SOW signed by Kroll and Client.

Kroll shall deliver its services in accordance with Client's instructions. However, if instructed by Client in writing, Kroll will perform the relevant Assignment under the direction of Client's counsel. Kroll understands Client and/or such counsel may provide Kroll with certain information and materials developed in anticipation of litigation that may be protected by the attorney-client privilege and/or the work product doctrine. Kroll agrees to treat such materials as confidential and subject to privilege.

#### 2. Confidentiality

Kroll agrees to take reasonable measures to maintain the confidentiality of non-public, confidential and/or proprietary information received from Client and which is designated by Client as confidential or that a reasonable person would consider, from the nature of the information and circumstances of disclosure, to be confidential to Client ("Confidential Information").

If any person or entity requests or subpoenas any Kroll Reports or other Assignment-related information or materials within Kroll's custody or control, Kroll will, unless legally prohibited, promptly inform Client of such request or subpoena so that Client may seek from a court of competent jurisdiction a protective order or other appropriate remedy to limit the disclosure. If Kroll is required to respond to the request or subpoena or to provide testimony, Client agrees to compensate Kroll for reasonable costs and expenses incurred (e.g., reimbursement of reasonable attorneys' fees and disbursements), including, without limitation, compensating Kroll (at hourly rates, as applicable) for responding to legal requests or demands for information and preparing for and testifying at deposition, proceedings and/or trials.

#### 3. Indemnity

The Assignment(s) undertaken (and associated fees) do not contemplate Kroll being made party to any legal proceedings, or subject to third-party claims. Accordingly, Client agrees to hold harmless and indemnify Kroll against all claims, damages and costs (including reasonable attorneys' fees and disbursements) arising out of any Assignment, except for such claims, damages and costs resulting from any actions by Kroll constituting gross negligence, fraud, willful misconduct or unlawful conduct or a breach of the terms of the Agreement.

#### 4. Limitation of Liability

Client agrees, on its own behalf and on behalf of its agents, that Kroll will not be liable for any claims, liabilities or expenses relating to the Agreement or any Assignment for an aggregate amount in excess of the fees paid by Client to Kroll pursuant to the SOW under which the claim arose, except to the extent such liability is finally judicially determined to have resulted from Kroll's gross negligence, fraud or willful misconduct. However, in no event will either Party be liable for consequential, special, indirect, punitive or exemplary losses, damages or expenses relating to this engagement, including without limitation damages for loss of data, loss of business profits, business interruption, or other pecuniary loss, even if such Party has been advised of the possibility of such damages.

Only the specific Kroll company signatory to the SOW under which the claim allegedly arose shall be liable to Client for any claims, liabilities or expenses incurred thereunder.

#### 5. Data Protection

To the extent applicable, the Parties shall comply with relevant national, international, state and/or regional data protection legislation or regulations, including with respect to information disclosed in connection with an Assignment which is personal data (as defined under the relevant legislation or regulation).

#### 6. Computer Forensics

To the extent any Assignment includes computer forensics services:

Client acknowledges that digital/computer equipment, drives, data and media may be damaged, infected or corrupted prior to forensic analysis being performed hereunder, and Kroll does not assume responsibility or liability for such pre-existing damage or further problems resulting therefrom. Any data, especially data restored from unknown sources, may contain viruses or other malware; therefore, Client assumes responsibility to protect itself with respect to the receipt of data and shall advise its agents and third-party recipients to take similar precautions.

Client represents and warrants that (i) it has the right to be in possession of, or is the owner of, all equipment/data/media furnished to Kroll hereunder, (ii) such equipment/data/media is furnished for a lawful purpose, and (iii) where applicable, Client's collection, possession, processing and transfer of such equipment/data/media is in compliance with any and all applicable laws, regulations and Client policies, including without limitation concerning data privacy and employee consents.

#### 7. <u>Use of Information</u>

To the extent any Assignment includes the provision of one or more Kroll Reports:

Client shall be permitted to use Kroll Reports solely for its internal business purposes. Client shall maintain Kroll Reports as confidential, and shall not disclose, disseminate, redistribute or otherwise make any Kroll Reports available to any third party, whether in whole or in part, without the express written consent of Kroll; provided, however, that Kroll Reports may be disclosed if required by law or in response to a lawful order or demand of any court of competent jurisdiction, provided, however, that before making such a disclosure, Client agrees to provide Kroll with prompt prior notice of any such compelled disclosure so that Kroll and/or Client may seek a protective order or other appropriate remedy. Client further agrees and represents that any Kroll Reports provided hereunder will not be used for employment purposes, credit evaluation or insurance underwriting

purposes, and that the services hereunder are being contracted for, and will only be used in connection with a business, investment or other commercial purpose.

#### 8. Fees and Invoicing

The fees for any particular Assignment shall be set forth in the applicable SOW. Kroll shall invoice Client on a monthly basis. Client agrees to pay Kroll within thirty (30) days of the invoice date. Any unpaid balances shall accrue interest at the rate of 12% per annum, as measured from thirty (30) days after the date of each invoice. Client acknowledges its obligation to pay undisputed amounts as set forth above. In the event Client disputes any portion of an invoice, Client will notify Kroll in writing of the disputed charges within thirty (30) days of the invoice date. Kroll reserves the right to terminate its services at any time if Client fails to pay Kroll's invoices in a timely manner. Client agrees to reimburse Kroll for any costs of collection, including reasonable attorneys' fees.

#### 9. Conflicts

In connection with its case opening process, Kroll follows procedures designed to identify conflicts of interest.

Client understands and agrees that the engagement by Client of a Kroll company for a discrete Assignment(s) hereunder does not prevent Kroll or its affiliated companies (e.g., Kroll Ontrack Inc. or Kroll Factual Data, Inc.) from providing services to other clients adverse to Client on matters not substantially related to a particular Assignment being performed hereunder, provided, however, Confidential Information obtained while performing a particular Assignment will continue to be treated as confidential and will not be shared or used in connection with the performance of any other services provided by Kroll or its affiliated companies.

#### 10. Termination

Either Party may terminate the Agreement on thirty (30) days prior written notice to the other Party or earlier upon mutual written agreement; provided, however, that the Agreement shall remain in full force and effect until the completion or termination of all active SOWs hereunder. Each Party may terminate any given SOW in accordance with the termination provision set forth therein, or, where no provision has been made, on ten (10) days prior written notice to the other Party. For avoidance of doubt, the termination of a particular SOW shall not automatically terminate these master terms and conditions.

In the event of any termination, Kroll will be entitled to payment of any invoices outstanding, as well as payment for any disbursements, fees and/or costs incurred through the date of termination. Provisions of the Agreement which by their nature are intended to survive termination or expiration of the Agreement shall survive expiration or termination of the Agreement.

#### 11. Assignability

Except as otherwise provided herein, neither Party shall assign the Agreement or any individual Party's rights or privileges without the prior written consent of the other Party, which consent shall not be unreasonably delayed, conditioned or withheld; provided, however, that the applicable Kroll company may assign the Agreement to any company which controls, is controlled by, or is under common control with Kroll, or in the event of a merger, acquisition or sale of all or substantially all of the assets thereof.

#### 12. Governing Law and Dispute Resolution

The Agreement is governed by the laws of the State of New York without regard to the law of conflicts. Any controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be settled by binding arbitration administered in New York, New York by the American Arbitration Association ("AAA") in accordance with its Arbitration Rules then in effect. There shall be one arbitrator agreed to by the Parties within twenty (20) days of a written request for arbitration. If the Parties cannot agree, an arbitrator will be appointed by the AAA in accordance with its Arbitration Rules. Any award from any such arbitration proceeding may be entered as a judgment in any court of competent jurisdiction. Each Party shall bear its own costs in connection with any arbitration hereunder. Nothing herein shall prevent either Party from seeking injunctive relief (or any other
